PLACEHOLDER — REPLACE THIS FILE

Naulia Sahya Althafah

Biomedical Engineering · Digital Healthcare · Technology

This is a placeholder PDF standing in for the real resume/CV.

To replace it:

1. Export your resume as a PDF.
2. Name the file resume.pdf
3. Place it at /public/resume.pdf, replacing this file.

The “View resume” buttons on the site link directly to this path,
so no code changes are needed — just swap the file.
